NORTHERN HIGHLAND AMERICAN LEGION STATE FOREST

Hiking

**Hiking is a great way to get close to nature** and understand your natural environment. In addition to our five nature trails, the Northern Highland American Legion State Forest has seven other trails designated for hiking. There are also hundreds of miles of old logging roads, less traveled town roads, forest access roads, and snowmobile trails that offer good hiking. Pets, biking, hiking or snowshoeing are not allowed on groomed ski trails during the winter months.

Shannon Trail

■ No fee or pass required.

The terrain on the Shannon Trail is gently rolling with a variety of timber types. The loop around Shannon Lake is especially scenic. Approximately half of the trail winds through an area that was logged in 1976, in 2000, and again in 2010. The remainder meanders through a variety of northern hardwoods. Leashed pets are allowed on this trail.
